**Re: McMichael's Construction Co., Inc.  
90 Almon Road  
Covington, GA 30014**

To Whom It May Concern:

Over the past fifteen years, Pieper O'Brien Herr has developed a good working relationship with McMichael's Construction Co., Inc. The relationship has been established through the base values of both companies – positive experience in developing a quality project for the Owner. McMichael's Construction has demonstrated that they can be competitive if requested to bid a project, and on a negotiated or design-build format, McMichael's Construction provides the Owner with the required budget control while delivering a quality project.

Pieper O'Brien Herr would recommend that McMichael's Construction be considered for involvement in an Owner's project.
